

## Android Backup Service Key

### Thank you for registering for an Android Backup Service Key!

Your key is:

```
AEdPqrEAAAIqZUzcWMpHB8rbjYiGM7eUtke3U-  
QPrYBhSSh4w
```

This key is good for the app with the package name:

```
org.benetech.android
```

Provide this key in your AndroidManifest.xml file with the following `<meta-data>` element, placed inside the `<application>` element:

```
<meta-data  
  android:name="com.google.android.backup.api_key"  
  
  android:value="AEdPqrEAAAIqZUzcWMpHB8rbjYiGM7eUt  
ke3U-QPrYBhSSh4w" />
```

For more information, see the [Backup Dev Guide](#). Or, go back to the [Android Backup Service registration](#).
